

World Dwarf Games

Championship Powerlifting Records

These championship records (not world records) are the best powerlifting performances achieved at a World Dwarf Games. Results from the 1993/Chicago games were converted from pounds to kilograms.

Up to 82.50 kg					
Over 82.50 kg					

* At the 1997 Peterborough Games, Jason Irving GBR lifted 155.00 kg in the 67.5+ category and Corinne Rowe NZL lifted 52.50 kg also in the 67.5+ category. These records could not be placed in the records charts because the athletes' actual body weights at that time are unknown.
