EVENTS

The 10m air pistol event will be offered for Junior B (age 12-15), Open (any age), and Masters (age 35 and older) Division athletes.

If a large number of entries are received, the competition host reserves the right to reduce the number of shots.

EQUIPMENT

Any air pistol (compressed air or CO2) may be used in competition, as long as it shoots .177 pellets. Sights are limited to iron, red dot, hologram, and laser. Magnification scopes will not be allowed. The pistol of choice is the Crosman 2300S with iron sights; this is the pistol Demmer Center offers for shooters who do not bring their own pistol.
