

Mason High School Natatorium

Swimming events will be conducted at the Mason High School Natatorium, 1001 South Barnes Street, Mason, MI 48854, about 12.5 miles (20km) south of Michigan State University. The 8-lane, 25-meter swimming pool was constructed in 2005. This facility boasts modern starting blocks, lane lines, and automatic timing equipment, and is fully accessible according to the standards of the Americans with Disabilities Act. Lockers are available, but swimmers should bring their own padlocks. There is ample spectator seating and parking.
