

Want to volunteer at the largest sports event in history exclusively for dwarf athletes, but you're in some other part of the world August 3 – 10, 2013?

Be a World Dwarf Games Virtual Volunteer!

Actual volunteers get specific work assignments for six hour shifts. They have to wear special shirts to be easily recognized. And you can't expect them to work that long in mid-August heat without giving them something to eat and drink. Add it up, and each 'free volunteer' costs about \$20*.

So for \$20, sponsor a volunteer at the Games! You take credit for their good works, deduct it from your taxes**, and don't even break a sweat! Virtual volunteers play an important role in making these Games a success. Donate [on-line](#) right now and enter "Virtual Volunteer" on the designation line. We'll list you as part of our Virtual Volunteer Registry on the [World Dwarf Games web site](#) (www.2013worlddwarfgames.org).

Or send a check made out to Dwarf Athletic Association of America, Inc., and mail to:

**Dwarf Athletic Association of America
708 Gravenstein Hwy, North, #118
Sebastopol, CA 95472**

Make sure to enter "Virtual Volunteer" on the check's Note line!

And at only \$20 a pop, you can sponsor as many volunteers as you want. Sponsor five or more and we'll make you a Virtual Volunteer Team Leader! Just add your team name on the designation or note line. On behalf of dwarf athletes around the world, Thank You!

* Volunteer Costs: \$10 for a guest meal at Athlete Village and \$8 for a decent volunteer T-shirt leaves about \$2 for water, juice, and volunteer tracking!

** The Dwarf Athletic Association of America, Inc, official host of the 2013 World Dwarf Games, is an IRS recognized 501(c)3 non-profit organization dedicated to providing athletic opportunities to athletes of all ages with dwarfism.
